OUR VISION

To be the premier funeral service provider in Northwestern Lower Michigan, serving families with locations in Bear Lake, Manistee, and Ludington.

OUR MISSION

At Oak Grove, we have recognized that the funeral care industry has changed and with that knowledge we have identified that the needs of our customers have also changed. Our Mission, as it was in the beginning, is to provide quality funeral service, at a fair and reasonable price.

Here at Oak Grove we believe that every family is eligible for and should receive free information and consultation. Information is knowledge and with helpful information our customers can make wise decisions.

Every family that chooses Oak Grove, will receive the highest quality funeral service available today. On staff we have three licensed funeral directors and two funeral pre-planning consultants that together have over 125 years of funeral experience. Together, we have personalized the needs and funeral services for thousands of families, giving us a vast amount of knowledge and professionalism to serve our customers.

Whether our families choose a traditional burial or cremation service, there will be some type of merchandise required. We offer families a variety of merchandise that will help provide a lasting tribute for your loved one. For cremation, we utilize a crematory at Oak Grove Cemetery in Manistee, which keeps your family member in the surrounding area at a Kieszkowski owned facility at all times. This also allows our families the opportunity to visit the crematory during and before the cremation process for personal closure and peace of mind.

We at Oak Grove look forward to helping you and your family the Oak Grove way.

OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of April 1, 2015 but are subject to change without notice.

In most areas of the country, no state or local laws make you buy a container to surround the casket in the grave. However many cemeteries ask that you have such a container so the grave will not set or recede. Either a burial vault or a grave liner will satisfy these requirements.

Our Funeral Home makes no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer thereof. PREARRANGED SERVICES

Inflation causes prices to increase over the years. Our Pre-need Plan enables you to pay now for future services at today's lower prices. Abbit Management is one of the oldest and largest prearrangement trust companies in the state of Michigan. Your pre-need funds are placed in a trust account in accordance with Michigan law. These funds gain interest which remains in the trust and is used to offset future cost increases. The funds cannot be withdrawn until they are needed to pay for the services you selected. Abbit Management pays all taxes and trust administrative fees and notifies you when any funds are deposited. Regardless of what our charges are in the future, your service is guaranteed without additional cash outlay by family and friends.

While most of our customers choose to prepay for their services up-front, we realize that some people appreciate the flexibility of time payments. For your convenience, Oak Grove offers flexible, low-rate interest payment plans.

From funeral pre-planning, to traditional funerals and cremation, Oak Grove sets the standards for your funeral service needs. Contact your nearest Oak Grove facility to receive information regarding services and merchandise through Oak Grove.
